

New Pricing for 2009!

We continually invite feedback from our customers regarding how we run our business. We listened to you the customer, and are instituting a new pricing scheme for 2009. There is a lower "entry level" into our parties, and it will become a headcount-based scheme so you are only paying for the number of children who actually attend your party.

If it is an adult-aged party, the same pricing scheme goes: First 15 are included in the price, and it becomes a per-head charge thereafter.

ALL parties include Private/EXCLUSIVE use of the Jump Area and a party room (for the duration of your party)

You will not be co-mingled with strangers like other venues in the area!

A Word about Party Time Slots

You can book parties on either weekdays or weekends. Please keep in mind that weekends are the highest demand time slots, especially on Saturday. For both Saturday & Sunday,

we pretty much adhere to the following party time slots to maximize the use of our facility:

| <i>Time Slots Available</i> | |
|-----------------------------|------------|
| <i>Start</i> | <i>End</i> |
| 9:30am | 11:30am |
| 11am | 1pm |
| 12:30pm | 2:30pm |
| 2pm | 4pm |
| 3:30pm | 5:30pm |
| 5pm | 7pm |
| 6:30pm | 8:30pm |
| 8pm | 10pm |

Our weekday slots are more flexible, and we can usually accommodate requests for customized time slots. However, we can also accommodate customized time slots on the weekend subject to availability on the date requested.

Recommendation

While we are a very popular facility in the greater Reno-Tahoe area, we can configure time slots based on our ability to meet your party needs. It is a good idea to book in advance of a given date that you desire to guarantee a particular date/time, however we can provide last-minute options as well.

How do I book a party/event at Jump Man Jump?

You can start by sending an email to us via the Contact Us link from the web site. Please provide details such as desired date of the party, number of participants and what inflatables that you desire. Or if you choose, you can call us at 775-856-3226 to speak with someone about your party/event details. If we do not answer the phone, please leave a voice mail. We'll usually contact you on the same day, but definitely within 24 hours. Please leave a name, phone number, and a good time to return your phone call.

We normally require a 50% Down payment at the time of the booking in order to guarantee a particular date/time, and the remainder of the balance outstanding is due 2 weeks before the party. Other arrangements available on a limited basis.

****We do not accept personal checks within 2 weeks of the party****

In the very near future we will be offering on-line party booking. Keep checking back with us for availability of this feature!

How does a party work at your facility?

Here is a rough schedule of what you can expect when you have a 2-hour party at our facility. Non-standard parties will be similar:

Arrival: When you & your guests arrive at our facility you will be greeted by one of our friendly party coordinators. We will collect the party invitations with the Waiver of Liability & stamp all participants hands to indicate that a waiver has been processed. All waivers **MUST BE** signed by the minor's parent or court-appointed legal guardian.

PRE-Jump Safety Instructions: We'll take 5 minutes to review the safety guidelines at our facility. Everyone who is going into the jump area should have an idea of what to expect (like no flips) when using the equipment in our facility.

Jump Time: All parties must have the Jump Time occur first, as we do not allow anyone to re-enter the jump area once they have consumed any food. Once one person eats, the jump time is over for the entire party. We have learned the hard way that people cannot eat & then go back out and play!

End of Jump Time: We'll turn down your music selection to give you an audio clue that your jump time has ended. It is time to gather the troops & bring them into the party room. We then send out the next group to play in the jump area, so no re-entering the jump area once your jump time has ended.

Party Room Time: It is important to understand that based on the number of people you have attending your party, you may or may not be able to do what we call the *TRIFECTA*: **Food, Cake & Presents**. If you are running short on time, you'll need to forego opening presents. It is best to assume that it will take a minimum of 20 minutes to open presents with 10 kids in attendance. Due to previous scheduling, we cannot allow parties to go over their time limit. You will incur extra charges if you go beyond your designated end time. We have party attendants to help you stay on your already tight time schedule, please use them to help you when you need it!

What We Can Offer when Money is not a Concern

FULL SERVICE Party Arrangements

If you do not wish to worry about any of the details of your party, we can certainly make the necessary arrangements of all of the finer details for your party. This does require advance notification of at least 2 weeks in order to give us enough time to make the necessary arrangements. From party favors, to food delivery, to music selection, to custom party decorations, we can do it all. Call us for pricing/details as this option is continually changing based on the demands of our customers. We know that you are busy, but you also want a great event and we can certainly be mindful of all of the details so you don't have to! This option is a choice if price is truly not a concern!

On a Tight Budget?

We feel your pain! We know that you want to make the event special, but are sometimes constrained by your finances to make an event memorable. Well, we are here to help! We want to offer the following suggestions:

1.) **Open Jumps**: You can have a party by including a stop at one of our **Open Jump™** sessions. While our party packages are priced for EXCLUSIVE use of the entire facility, if this is not an issue for you, then you can certainly make a stop at Jump Man Jump during an **Open Jump™** session as part of your party plans. Please keep in mind that a waiver **MUST BE** signed by the minor's parent or court-appointed legal guardian in order for them to play at our facility.

2.) **Open Jumps + Party Room Rental**: If you want to cut the cake & open presents at our facility, then we can certainly host that portion of your event at our facility in a private party room at the end of an **Open Jump™** session. You get the party room for 30 minutes. We'll provide all of the party supplies (*tablecloths, paper plates, cups, napkins, & forks*). Costs/availability do vary, and reservations are **REQUIRED** for this option.

3.) **One-Hour Jump Option**: If you want to do an event, but want a PRIVATE JUMP-ONLY event, we do have a one-hour jump option. If you have a group of folks that want to play on the weekend, then get them together for our one-hour jump at \$130 for the first 15 people jumping, which does include EXCLUSIVE use of our entire facility! Three inflatables are included in the price. While we get many calls asking if we have **Open Jump™** sessions on the weekend, we do not, but this is a great alternative!

4.) **Scheduled Payments**: If the price of the party seems too large in "one chunk", we offer the opportunity to make scheduled payments over a period of time to accommodate your financial situation. Please keep in mind that we **must have** 100% of the party payment 2 weeks prior to the event.

5.) **Combined Parties:** You can certainly team up with other families to have JOINT birthday parties. Please keep in mind the limitation of the number of people in a given party room is 40. If you have 50 or more, then we can certainly rent the ENTIRE facility so the combined total can be ~90 people! This is a great alternative to split the cost of our facility with multiple families.

Want your event photographed?

We know that your special event will generate fantastic memories, but do you want those memories forever captured in a photograph? We can provide digital photographic services for your event, and would be happy to make those arrangements. Towards the end of your party, we will transfer the digital photos to a CD to take with you. Be sure to book your party photographer early to ensure availability! *An extra cost of \$40 does apply.*

Want more than 2 hours for your party?

Extra time is available, but must be booked in advanced and is subject to availability & scheduling around other events. We can make arrangements for parties of any desired length....3, 4, or even up to 8 hours. Special pricing for parties of more than 2 hours does apply. Call or email for special pricing proposals.

Group Events

Special Groups such as Sports Teams, Church Youth Groups, Play Groups, Singles Groups and Corporate Events: Please call us for Special pricing & options. Prices/times are flexible depending on the size & day of the event. This is a custom event, and we can design a great agenda to accommodate your needs.
